THE SPA

Holiday Aromatherapy Glow & Massage

The ultimate body treatment, the Holiday Aromatherapy Glow and Massage is a delightful way to address dull, dry skin. A custom peppermint scrub reveals glowing skin while a therapeutic full body massage soothes muscles and relaxes the mind. Following the massage a luxurious application of rich chocolate-scented body butter leaves skin deeply hydrated. This seasonal treatment concludes with a warm scalp oil ritual. \$

Knesko™ Skincare Gemstone-Infused Facial*

The Knesko Gemstone-Infused Facial is a uniquely luxurious treatment. Skin will be deeply cleansed and gently exfoliated before the application of a gemstone serum that will brighten and tone the skin. A collagen mask is applied over the serum and gently massaged with a gemstone roller with the proprietary maskage technique. This deluxe treatment may address visible signs of aging such as fine lines and wrinkles, dryness, puffiness and uneven skin tones while helping to re-balance the visage. \$
