

Pelican Peace of Mind

The Resort at Pelican Hill has taken its ongoing commitment to our guests, our associates, and our community, one step further by developing the Pelican Peace of Mind initiative. It is built on three simple but important promises—make it safe, make it easy, make it special.

1. Keep Everyone Safe

Our enhanced cleaning and safety protocols have been designed with guidance from state and local officials and the Centers for Disease Control and Prevention (CDC). These protocols govern every aspect of your resort experience and they are continuously updated to ensure we remain in compliance with the highest industry standards.

2. Conduct Business With Ease

We believe that doing business with us should be easy, especially during these times of uncertainty. Should plans change, for any reason, please know that we have redesigned our booking and cancellation policies to be as flexible as possible. We are committed to providing you with options and solutions every step of the way to give you confidence in your choice and continue to be your destination of choice.

3. Love The Experience

For all that has changed, there is plenty that has not; the unparalleled beauty of the resort, the custom-designed accommodations, the gracious and thoughtful service provided by our associates, and the nearly endless array of unique experiences found right outside your doorstep. We strive for your stay to be safe and worry-free, but most of all, we want your experience to be unforgettable.

The following are some highlights of the Pelican Peace of Mind initiative for all guests.

SAFE SPACING, NATURALLY

- Perched on 504 acres of unrivaled coastal space offering a sanctuary of seclusion.
- The Resort's natural setting and expansive grounds feature Tuscan-style neighborhoods, with beautifully-landscaped streets and outdoor hideaways to stroll and relax.
- All Bungalows are private, standalone buildings, with no elevators or indoor corridors, and furnished outdoor terraces to soak in the ocean breeze.
- Villas are a private residence located in an exclusive gated enclave, including two-, three-, or four-bedrooms equipped with a private garage, fully-stocked chef's kitchen and dining room, comfortable living room with fireplace, and expansive outdoor terrace.
- Pelican Hill is home to three separate pools and two golf courses, allowing ample space for social distancing.

Pelican Peace of Mind

- Newport Beach is a haven for outdoor adventure and water sports, including kayaking, boating, cycling, and hiking.

SAFETY & WELL-BEING MEASURES

AROUND THE RESORT

- **Enhanced Cleaning:** We have implemented additional cleaning procedures throughout the resort to thoroughly disinfect all areas with a key focus on high-touch surfaces using EPA approved hospital-grade disinfectants and electrostatic misters on surfaces and fabrics.
- **Safely Spacing:** New physical distancing practices are being observed throughout all areas of the Resort and reduced capacities have been implemented at pools, fitness centers, and golf facilities to avoid congestion and allow for physical distancing practices.
- **Guest Accessible Hand Sanitizer:** Multiple touch-free hand sanitizer dispensers have been placed around key guest areas, including our lobby, meeting rooms and other public spaces.
- **Safety Barriers:** We have installed acrylic shields at all service points with less than six feet of physical distancing for protection.
- **New Technology:** New, innovative disinfecting technologies are being explored to enhance our cleaning procedures.

GUEST ROOMS

- **“Pelican Peace of Mind” Room Tags:** As an extra measure of assurance, we have placed room tags on doors, bathroom amenities, and remote controls to indicate that your room has not been accessed since being thoroughly cleaned.
- **“Pelican Peace of Mind” Personal Wellness Kit:** Upon check-in, each guest will receive an amenity bag including hand sanitizer, face masks and disinfecting wipes.
- **High-Touch Surfaces:** We have elevated our rigorous cleaning of each guest room to thoroughly disinfect all high-touch surfaces with EPA approved hospital-grade disinfectants. These areas include countertops, light switches, electronic controls, doorknobs and handles, bathroom surfaces, faucets, bed and bath amenities, and closets.
- **Contactless Service:** To ensure peace of mind and reduce the frequency of our associates entering your guest room, we offer contactless deliveries whenever possible and housekeeping service every third day of your stay.
- **Digital Materials:** In-room print materials have been replaced with digital alternatives, including an online Compendium and Food & Beverage Menus accessible via a QR code or the television.
